

# KEVIN HUOH, M.D.

## *Post-Doctoral Training:*

---

- **Lucille Packard Children's Hospital at Stanford** July 2012 – June 2013  
Pediatric Otolaryngology- Head and Neck Surgery Fellowship
- **University of California, San Francisco (UCSF)** June 2007- June 2012  
Department of Otolaryngology- Head & Neck Surgery (OHNS) Residency Program

## *Education:*

---

- **University of California, San Francisco – School of Medicine** 2003 – 2007  
Doctor of Medicine (M.D.)  
*Alpha Omega Alpha*
- **University of Southern California (USC)** 1999 – 2003  
*Valedictorian, Summa Cum Laude*  
Bachelor of Science (B.S.) Psychobiology, Minor Art History

## *Licensure and Board Certification:*

---

- California Medical Board License #A106715 2009 – present
- Board Certification, American Board of Otolaryngology June 2013 – present

## *Academic Honors and Awards:*

---

- ABEA Seymour R. Cohen Pediatric Laryngology Research Award 2013
- UCSF OHNS Kelvin Lee, M.D. Resident Award 2012
- Triological Society Western Section Shirley Baron Resident Research Award 2011
- UCSF OHNS Resident Research Symposium- First Prize 2011
- Bay Area Residents Research Symposium- Best Case Report 2011
- UCSF Clinical and Translational Science Institute Research Grant 2010
- Triological Society Western Section Shirley Baron Resident Research Award 2010
- Alpha Omega Alpha, *Co-President Alpha California Chapter* 2007
- UCSF Dean's Summer Research Fellowship 2004
- Phi Kappa Phi Graduate Fellowship—Slater Fellow 2003-2004
- USC University Valedictorian 2003
- USC Trustees' Award 2003
- USC Renaissance Scholar 2003
- Phi Beta Kappa 2003
- Mortar Board Senior Honor Society 2003
- USC Dept. of Chemistry- High Achievement in Organic Chemistry 2001
- Phi Kappa Phi 2000
- USC Dept. of Biological Sciences- High Achievement in Biology 2000
- USC University Trustees' Scholar (*full-tuition merit scholarship*) 1999-2003
- Palos Verdes Peninsula High School Valedictorian 1999
- National Merit Scholarship Recipient 1999

- **Huoh KC.** “Poor Outcomes in Nonmelanoma Cutaneous Carcinomas.” Oral Presentation. UCSF Department of Otolaryngology- Head and Neck Surgery, Sooy Resident Research Symposium. June 2009.
- **Huoh KC,** Rosbe KW. “Pediatric Tracheotomy Indications and Complications: The UCSF Experience and a Review of the Literature.” Oral Presentation. Triological Society- Western Section Meeting. Rancho Mirage, CA. January 2008. (presented by KW Rosbe)
- **Huoh KC,** Carlson T, Wang R. “Notch4 Mediated Vascular Enlargement in Mice.” Poster Presentation. UCSF School of Medicine, Dean’s Research Poster Conference. San Francisco, CA. Jan 2005.
- **Huoh KC.** “Notch4 Mediated Vascular Enlargement in Mice.” Oral Presentation. UCSF Summer Research Discovery Lecture Series. San Francisco, CA. Dec 2004.
- **Huoh KC.** “Case Presentation: Acute Mastoiditis.” Oral Presentation. UCSF Department of Pediatrics, Chairman’s Rounds. San Francisco, CA. Feb 2002.

***Educational Courses Taught:***

- 
- |  |                   |
|--|-------------------|
| • Stanford School of Medicine<br>Department of Otolaryngology- Head and Neck Surgery<br>Resident Didactic Course- “Pediatric Case Conference”    | 2012-2013         |
| • Stanford School of Medicine<br>Department of Otolaryngology- Head and Neck Surgery<br>Medical Student Didactic Course- “Pediatric Neck Masses” | Monthly 2012-2013 |

***Educational Courses Attended:***

- 
- |  |      |
|--|------|
| • Stanford Advanced Pediatric Life Support and Simulation          | 2013 |
| • American College of Surgeons: Thyroid and Parathyroid Ultrasound | 2012 |

- Stanford Clinical Teaching Course 2012
- Stanford Pediatric Clinical Research Course 2012
- UCSF/Penn Advances in Diagnosis and Treatment of Sleep Apnea and Snoring 2012
- UCSF Otolaryngology Update 2011
- Stryker Approaches to Craniofacial Surgery 2011
- Stanford Pediatric Otolaryngology Update 2011
- Stanford Facial Plastic Surgery Course 2010
- Medtronic Midas Rex: Approaches to Cranial Neurosurgical Disease 2010
- UCSF Head and Neck Endocrine Surgery Course 2010
- Intuitive *da Vinci* Robotic Transoral Surgical Skills Training 2010
- UCSF/Penn Advances in Diagnosis and Treatment of Sleep Apnea and Snoring 2010
- UCSF Otolaryngology Update 2009
- AAOA Basic Allergy Course 2009
- Stryker Approaches to Craniofacial Surgery 2009
- UCSF Department of Epidemiology and Biostatistics- Designing Clinical Research 2009
- AO Principles of Operative Treatment of Craniomaxillofacial Trauma and Reconstruction 2008
- UCSF-Stanford Facial Plastic Surgery Course 2008

***Professional Societies:***

---

- American Academy of Otolaryngology- Head and Neck Surgery
- Triological Society
- American Academy of Otolaryngic Allergy
- Alpha Omega Alpha
- Phi Beta Kappa
- Phi Kappa Phi

***Language Skills/Hobbies:***

---

- Conversational competence in Mandarin Chinese and Spanish.
- Enjoy jogging, tennis, and basketball. Avid fan of USC Trojan football, Los Angeles Lakers and Los Angeles Dodgers.
